

My name is **Adam Baher Thabet**. I joined ALSondos Foundation for orphans with special needs in 2020/12/29. **I'm one years old now.**

**Adam suffers from a lack of white matter in the brain, which leads to mental, motor and speech delays**

**(He has a type of cerebral palsy)**

**He suffers from retinal detachment since birth from the fifth stage.**

**Adam is undergoing periodic follow-up and pharmacotherapy.**

**Adam's health condition has improved and he is able to sit down and take steps with the help of others**

**He is still receiving physiotherapy, speech and skills development sessions.**

**Adam would like to say:**

**I like to play with things that make sounds and listen to children's songs.**

**I love surrogate mother 'hend' very much. She also loves me**

**My favorite fruit is apple**

**Lastly I'm very thankful to be part of AISondosFoundation for Special Needs family, and thankful to all our sponsors.**
