

My name is Adel muhammed ahmed. I
joined ALSondos Foundation for
orphans with special needs in
2019/12/4. I am three years old now.

Adel suffers from a speech delay and an inability to speak properly

We are happy for him because his ability to speak is much better than before.

Adel became able to pronounce some words, understand what is around him, and communicate with us, thanks to the speech and skills development sessions.

And he still goes for it to improve his abilities more.

adel would like to say:

**I love my surrogate mother 'amal' so much
and like to play with her.**

I love playing puzzle and coloured cubes

My favorite color is yellow.

I also love to eat Guava- this is my favorite fruit.

**Lastly I am thankful to be part of AlSondos family
for kids with Special Needs like me, and very
thankful to all our sponsors.**
