

My name is Noor Hussain Al-Sayed. I joined ALSondos Foundation for orphans with special needs in 2017/9/23. I'm five years old now.

I suffer from mental and motor disabilities and have an enlarged head and I was unable to speak or move - after doing physiotherapy and speech therapy sessions, my condition has improved. I also suffer from short-sightedness, but now I wear glasses.

I love and enjoy playing football, playing with colored cubes and toy cars.

My favorite fruits are apple and watermelon

My favorite colors are red and blue

I love surrogate mother 'Shireen' very much.

I also am happy with the people who come to visit me - I love playing with them.

Lastly I'm very thankful to be part of AlSondos Foundation for Special Needs family, and thankful to all our sponsors.
