

My name is **Hatem hany fahmy**.

I joined ALSondos Foundation for orphans  
with special needs in 2019/12/3.

I'm three years old now

**Hatem suffers from bowed legs.**

**He also suffers from a speech delay.**

**After doing speech sessions hatem is able to pronounce some words and express himself and what he needs**

**And he also become able to communicate with others and we are very happy to him and with his progress.**

**We always notice that Hatem has a love of curiosity about things around him, so we were keen to develop his knowledge and joined skill development sessions to develop his abilities.**

**He is still receiving speech and skill development sessions**

**Hatem would like to say:**

**My favorite colors are yellow.**

**I love my surrogate mother 'Dalia' very much.**

**My favorite fruits are apple, i also love biscuits**

**I love playing with colored blocks and coloring, and I also love watching cartoons.**

**Lastly I'm very thankful to be part of AISondos Foundation for Special Needs family, and thankful to all our sponsors.**
