

My name is **Youssef Ibrahim Selim**. I joined ALSondos Foundation for orphans with special needs in 2019/12/4. **I'm three years old now.**

Youssef suffers from delayed growth and is following up with a nutritionist.

He also suffers from a speech delay, and Youssef joined the speech sessions to develop his abilities and communicate with those around him and express his needs as well.

Youssef now has the ability to communicate with his brothers and sisters, play with them and pronounce some words.

The child is still receiving speech and skill development sessions.

Youssef would like to say:

I love and enjoy playing with coloured blocks, coloring and toy cars

My favorite fruit is apple, i also like biscuits a lot

My favorite color is **red.**

I love surrogate mother 'Asmaa' very much.

I also am happy with the people who come to visit . I would like to say thank them, their visit makes me happy

Lastly I'm very thankful to be part of AlSondos Foundation for Special Needs family, and thankful to all our sponsors.
