

My name is **Jana Mohamed Ibrahim**. I joined ALSondos Foundation for orphans with special needs in 2017/9/31. **I'm four years old now.**

Jana had a slight motor, mental and speech disability.

Jana's physical and mental condition improved after doing physiotherapy, speech and skill development sessions, as she is able to walk without anyone's help.

She is also able to speak in an understandable manner and communicate with others ,also has a love to explore, understand things and learn better.

She still goes for physiotherapy sessions, skill development and a speech sessions to improve her condition more

Jana would like to say:

I love apple so much- it is my favorite fruit and it also red like my favorite color

My favorite games are the colored cubes and the swing.

I love my surrogate mom 'Yasmeen' so much.

Lastly I'm very thankful to be part of AlSondos Foundation for Special Needs family, and thankful to all our sponsors.
