

My name is **Menna Mahmoud Mustafa**. I joined ALSondos Foundation for orphans with special needs in 2017/1/24. I'm four years old now.

I suffer from delayed growth due to malnutrition, and I was referred to a nutrition consultant to make a special diet for me in addition to taking nutritional supplements. I also suffer from a slight mental disability and need speech and skill development sessions, so I started going to a speech center for developing skills.

My favorite colors are **red and yellow**. My favorite games are puppetry and riding a bike. I also love drawing, coloring and making shapes with clay.

I love chocolate very much and also Biscuits. My favorite fruit are grapes.

I am a shy girl but I love playing and to have fun. And I love someone to take care of me, so I love my surrogate mom '**Doaa**' so much.

Lastly I'm very thankful to be part of AlSondos Foundation for Special Needs family, and thankful to all our sponsors.
