

My name is **Fatima El Sayed Salem**. I joined ALSondos Foundation for orphans with special needs in 2019/2/5. **I'm four years old now.**

Fatima had a slight movement disability and I could not speak, but after doing physiotherapy and speech therapy sessions her condition has improved.

She is able to move on her own without anyone's help, speak in an understandable way and communicate with others. She still go for physiotherapy and speech therapy sessions.

Fatima would like to say:

My favorite color is pink.

My favorite games are the colored cubes and the swing.

I love grapes so much- it is my favorite fruit.

I am a little shy at first, but I love to play very much and I love people who come to play with me

I love my surrogate mom 'Yasmeen' so much.

Lastly I'm very thankful to be part of AlSondos Foundation for Special Needs family, and thankful to all our sponsors.
